Bus

You can use public transport to get around in Dubrovnik. All parts of the city of Dubrovnik are well connected by frequent, regular bus lines. There are two local bus lines 5 and 6 from the Hotel Ariston to station Pile in the city centre (Old Town) every 15 minutes. The bus stop is near the hotel and the ride takes around 20 minutes.

Bus tickets can be purchased directly from the bus driver, at Tisak newsstands or at the Libertas bus company kiosks located at Pile, the Central Bus Terminal, the Pošta Lapad bus stop and in Mokošica, at hotel front desks and from travel agencies.

It is possible to purchase a ticket on the bus with the exact change of 15 kuna.

The bus ticket is valid for exactly one hour from the moment of the first use for an unlimited number of rides in the city.

It is also possible to buy a card (exclusively at Libertas bus company kiosks) that is valid for 24 hours beginning with the first use for the price of 30,00 kuna.

Taxi

There are taxi stands in all of the busiest parts of the city and taxi service fares are clearly displayed. Upon entering a taxi, the taximeter must be turned on with the initial (start) value of 27,00 kuna. If the taximeter is not running, the customer is not required to pay the fare. Each additional kilometre costs 9,00 kuna. Up to 4 people can ride in a taxi. The fare for waiting is 150,00 kuna per hour, and 2,00 kuna for each piece of luggage.
